## **Chances to win luxury Noosa retreat boosted**

A luxurious \$1.2 million BoysTown prize home at Noosa opens today, with supporters set to enjoy even better chances of winning than usual.

As a special event, BoysTown Lotteries has reduced the number of tickets available for this draw by around 30,000, giving supporters a greater chance of winning a guaranteed million dollar prize, according to the charitable lottery's General Manager Fundraising, Keith Coventry.

"All of our draws have exceptional chances of winning, particularly when compared to other million dollar lotteries. However, we are excited to offer our loyal supporters an even better chance to win their dream home and at the same time, help disadvantaged Australians in need," Keith said.

"Supporters will have a one in 275,000 chance of winning, when they purchase a ticket. Usually between 300,000 to 310,000 tickets are offered in BoysTown million dollar prize home draws."

The well-appointed property is extremely spacious and is located on a large and fully landscaped block in prestigious Noosa Retreat Estate. Fully furnished, it features four bedrooms and a stylish open plan kitchen and living area.

The centrepiece of the home is a generously sized custom-designed pool and entertainment area. Both are framed by a bushland backdrop, which overlooks a small man-made lake to the rear. The clever layout of the property has ensured all the key living areas and bedrooms enjoy this view.

For those rainy days when swimming is out, the winner can enjoy watching their favourite movie in a separate media room, complete with a massive 60 inch plasma television.

The home is situated a short distance from Noosa River and Noosa Heads, with its famous boutiques, restaurants, galleries, cafes and patrolled surf beaches. It is also close to local schools, shops and a hospital.

Located at **21 Aspera Place, Noosaville**, the home is part of a prize package valued at \$1,250,938. Viewing and ticket sales commence 12 May 2010 through to 23 June 2010, with tickets priced at \$15 each. The draw will take place on 25 June 2010. Tickets are also available via [www.boystown.com.au](http://www.boystown.com.au).

All funds raised from the lottery will go towards BoysTown's charitable services, which aim to give a fresh start for disadvantaged children, young people and families in need, including those living on the Sunshine Coast. BoysTown services include Kids Helpline, Parent Line, domestic violence refuges and employment and training services for disadvantaged young people.
