Ray of sunshine in credit crunch

In the midst of the global financial crisis, one charity is offering the rare opportunity to become a Sunshine Beach property millionaire for just \$15.

BoysTown Lotteries' latest luxury prize home, situated at Apartment 1, *Linea* 63 Elandra Street, is a \$1.3 million three-bedroom apartment with spectacular ocean views.

BoysTown General Manager Fundraising Keith Coventry said for many people owning prestige, ocean view property is simply out of reach.

"We are offering the chance to begin the New Year living in one of Australia's most exclusive areas, mortgage-free," he said.

Located a short stroll from the famous Sunshine Beach Surf Club, the beach, cafes and designer boutiques, the home is also only two kilometres from Noosa Heads.

"The property and location are so exceptional that the architect who designed the building actually owns and lives in the other apartment," Mr Coventry said.

The apartment maximises its amazing views by spreading living over three levels. A sparkling lap pool and entertaining room is located on the ground level, with the main living areas on the second floor and the terrace above.

The private roof terrace offers uninterrupted ocean views, which provide front row seats during the whale-watching season.

"We have witnessed dozens of whales travelling down the coastline and the lucky winner will get to see the spectacle of the mothers returning with their calves," Mr Coventry said.

The \$1.3 million prize includes \$60,212 in furniture and electrical, \$15,000 gold bullion and \$5,000 in travel.

BoysTown's Lottery 383 will be drawn onsite at 11am, Friday 30 January 2009. The prize home is open to the public from 9.00am to 5.00pm daily between 3 December - 24 December and 27 December - 28 January 2009. The Sunshine Beach prize home also features on the BoysTown website at www.boystown.com.au.

Tickets in Lottery 383 can be purchased for \$15 at the prize home, online at www.boystown.com.au or by calling 1800 555 079.

Funds raised will enable BoysTown to provide a fresh start for children, young people and families through programs such as Kids Helpline and Parentline telephone counselling services.
